

MAGLEV HIGH SPEED CENTRIFUGAL BLOWER

Nanjing Beder Environmental Protection Equipment Manufacturing Co.,Ltd

Tel: +86 25 8652 7707

Mail: Sales@njbeder.com

Web: www.njbeder.cn

Ad: D block,8 floor,305 Jiangdong North Road.Gulou District,Nanjing

PRODUCT INTRODUCTION

 Small volume

 Light weight

 Intelligent

 High efficiency

>80%

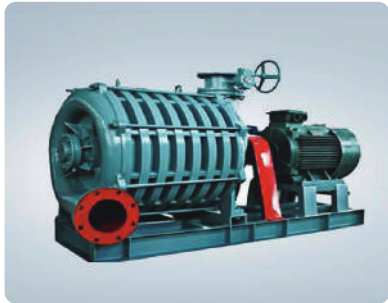

System Efficiency

Roots blower

50%

System Efficiency

Multistage centrifugal blower

60%~70%

System Efficiency

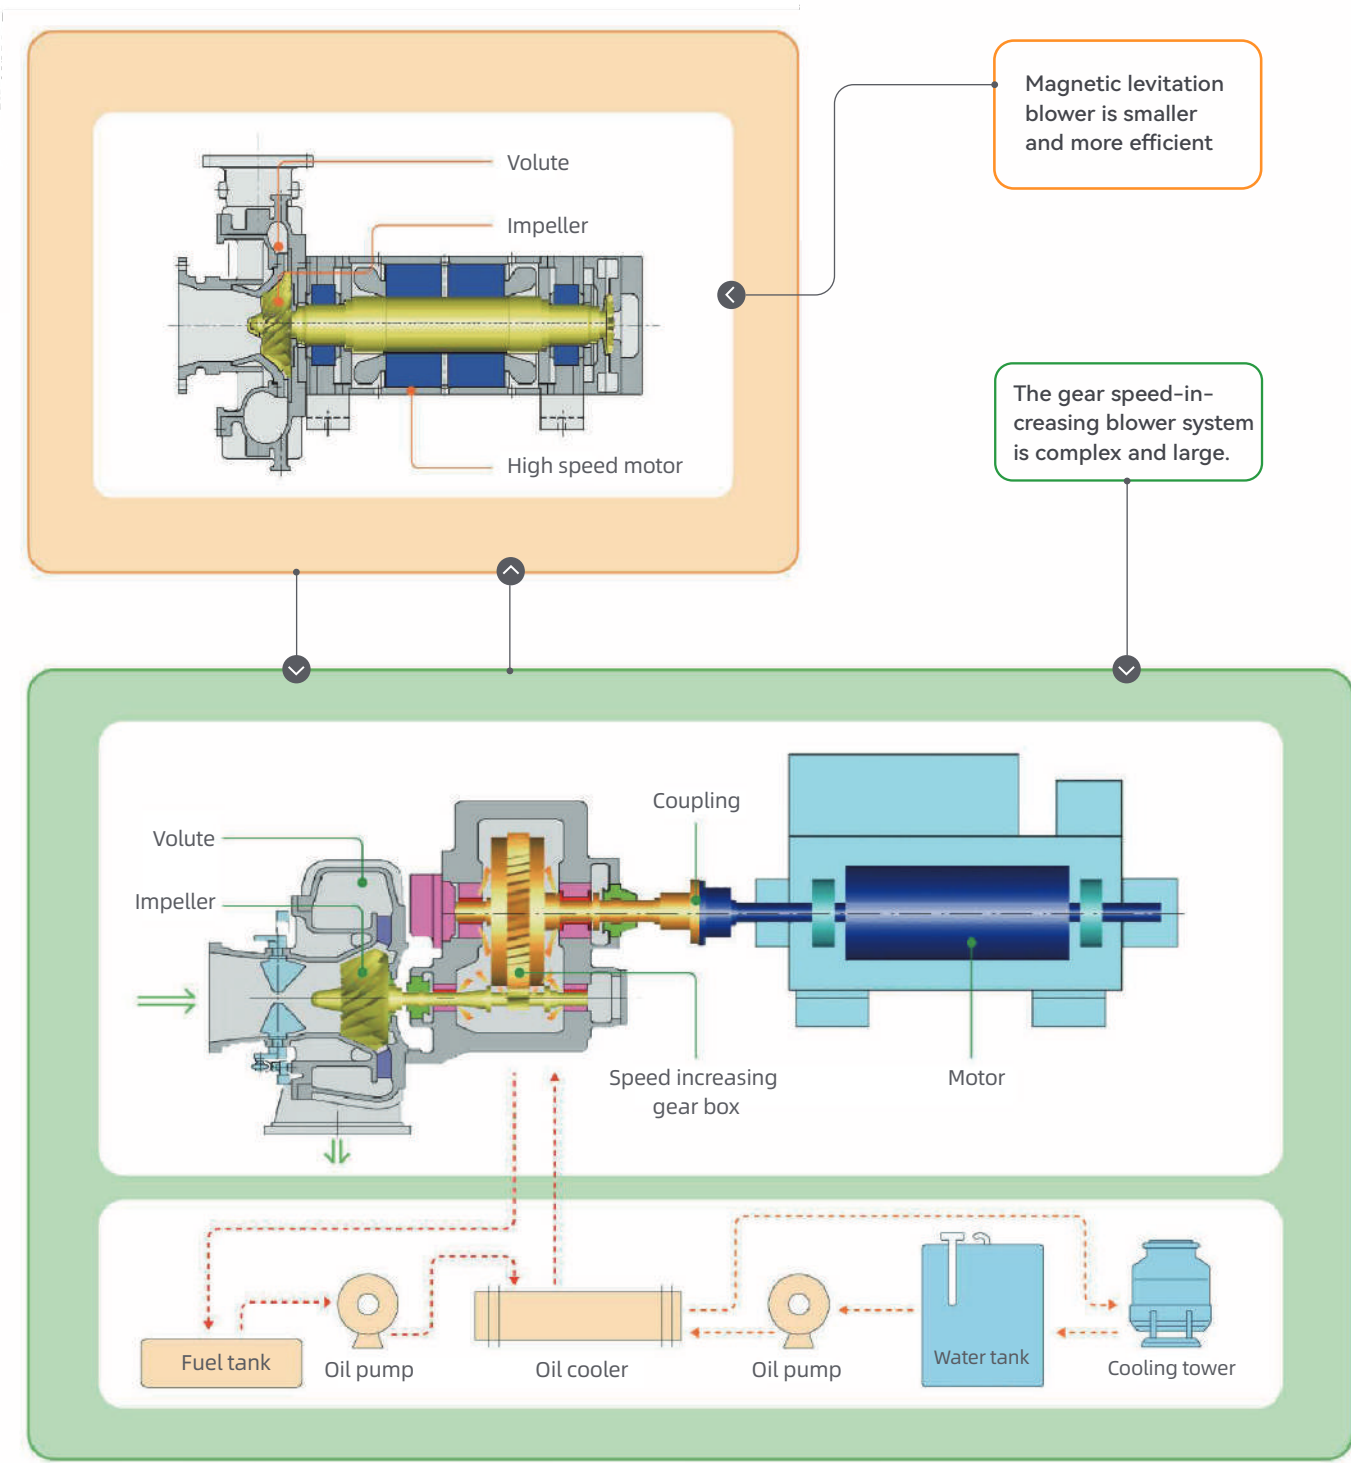

Single-stage centrifugal blower

70%

System Efficiency

> Product advantages

Magnetic levitation high-speed centrifugal blower intuitive contrast advantage

APPLICATION CASES

Municipal sewage

Petrochemical industry

Metallurgy

Cement building materials

Biopharmaceuticals

Printing and dyeing

Leather

Papermaking

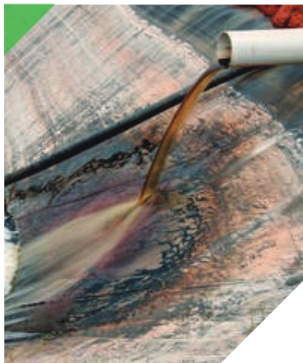

Transport gas

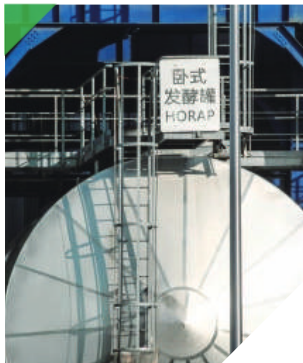

Steel industry

FLue gas desulfurization

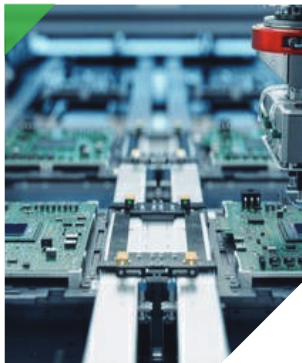

Landfill leachate

Brewing and fermentation

Food and beverage

Electronic industry

Glass manufacturing
